CAREER OBJECTIVE

Aspiring MERN Stack Developer with practical experience in building full-stack web applications using MongoDB, Express.js, React.js, and Node.js. Completed an internship and developed projects that strengthened my skills in frontend and backend development. Adaptable, quick learner and eager to contribute to a dynamic team while growing as a full-stack developer.

TECHNICAL SKILLS

- Frontend: HTML, CSS, JavaScript, React.js
- Backend: Node.js, Express.js
- Databases : MongoDB
- Tools: GitHub, VS Code, Postman

PROJECTS

Placement Preparation Portal — MERN Stack Web Application | MongoDB · Express.js · React.js · Node.js

- Developed a Placement Preparation Portal using the MERN Stack (MongoDB, Express.js, React.js, Node.js) to support students in campus placement preparation.
- Implemented modules for user authentication, profile management, aptitude tests, coding practice and company interview scheduling.
- Built a dynamic dashboard to display performance statistics, coding progress, upcoming tests, and interview schedules using real-time data from MongoDB.
- Designed and integrated RESTful APIs with MongoDB to enable secure data management and provide a responsive, user-friendly experience.

Glowsure — E-Commerce Platform | HTML · CSS · JavaScript · MongoDB

- Architected and deployed a comprehensive 4-module e-commerce application featuring product listing, shopping cart, secure payments, and admin dashboard.
- Engineered a role-based admin dashboard to facilitate real-time inventory tracking and streamlined order management.
- Developed a mobile-first, responsive UI using JavaScript and CSS, ensuring a seamless user experience across all device types.
- Leveraged MongoDB for flexible, scalable data storage of product catalogs and user transaction history.

EXPERIENCE

MERN Stack Development Intern — Maticz Technologies, Madurai

MongoDB · Express.js · React.js · Node.js

- Completed a dedicated MERN stack internship, gaining hands-on exposure to building full-stack applications using MongoDB, Express.js, React.js, and Node.js.
- Practiced building RESTful APIs and connecting React front-ends to Node/Express back-ends with MongoDB as the data layer

EDUCATION

Master of Computer Applications (MCA) 2025 - 2027
Francis Xavier Engineering College, Tirunelveli
CGPA : 8.5

Bachelor of Mathematics 2022 - 2025
Govindammal Aditanar College for Women, Tiruchendur
CGPA: 8.5
